

EZ-EFT *Payments made Easy*

I hereby authorize my financial institution to make periodic payments on my behalf from the checking, savings, or credit account listed below and transfer it to New Hope Christian Academy.

EZ-EFT is a convenient service that makes it easy for you to pay your ELC tuition automatically. The simple authorization form allows us to bill your financial institution (or credit card) on the due date. There is no need for you to write checks, remember to drop off (or mail) tuition, or worry about late fees. Your record of payment will be listed each month on your banking or credit card statement (and at your request we can also provide you a complete statement of charges and credits each month).

Getting started is easy. Simply complete the authorization form included below, attach a voided check to the form, and return it to us. If you prefer to pay by credit card, just include the account number with expiration date.

What about security? The service uses the Federal Reserve's electronic payment network used by financial institutions nationwide, so it is absolutely secure. Consumer safeguard regulations for electronic payments are even more stringent than when you write a check.

With your busy schedule, it's nice to know that you will have one less task to perform each week with absolutely no effort on your part. Sign up for EZ-EFT today!

I understand that I am in full control of my payments and I will notify you if at anytime I decide to make changes, discontinue this service, or change or close my credit card or bank account.
